Classroom News

Class Name: Conway Term : Spring 2 2026 Under the Sea

What we have been learning

Our topic this term has been Under the Sea. We used the book Tip Tap Went the Crab by Tim Hopgood to support our learning.

It's been a short half term but we've managed to pack lots in! Sadly we bid farewell to Holly but wish her well with her new baby when she arrives, and welcomed Faye to our team. She is fabulous and the children have already built strong relationships with her in a matter of days.

We've been working hard on encouraging the children to try new things as well as building their focus and engagement levels during activities.

In English we have continued to encourage mark making and celebrated all the children's attempts as well as continuing to build our recognition of symbols and matching them.

In Maths we have continued to practice our counting, with a focus on 1:1 correspondence, but also introduced capacity where the children experienced full and empty. We also had a go at comparing the sizes of seashells, focusing on big and small.

As part of our topic work, we have explored a range of sea creatures and the different sizes and textures of seashells. We've also enjoyed much more water play as the weather continues to improve!

We continue to work on our transitions around the school, enjoying weekly trips to Soft Play and the Library with the help of some of the older children in the school. This term we have started Minibus Trips to get the children used to transitioning between the classroom and the minibus. The children have been amazing!

We hope you have a lovely Easter break!

Catherine, Dani, Nicki, Faye, Rhi and Josie

Important Dates:

Friday 27th March – Term 4 ends
Monday 13th April – Term 5 starts
Monday 4th May – May Bank Holiday – No school
Friday 22nd May – Term 5 ends
Monday 1st June – Term 6 starts

Some photos of us!
