

Classroom News

Class Name: Conway **Term:** Spring 1 2018 **Whole School Topic:** To Infinity And Beyond.

What's been going on

This term, Conway class has attended forest school at Shaw Woods. Although it is best in the warm sun, we have had lots of fun so far and the children haven't let the elements stop them from having fun. On Monday afternoons, Conway has participated in Boccia lessons with our guest coach Nathan. We have worked superbly with Pembroke class during these sessions and it has been great to see the children working together and enjoying a popular Paralympic sport!

Also this term, we had our belated Christmas treat! Children ventured out to Basingstoke for Bowling and McDonalds as a massive well done for all their hard work in the previous term. It was great fun and everyone enjoyed the day out together.

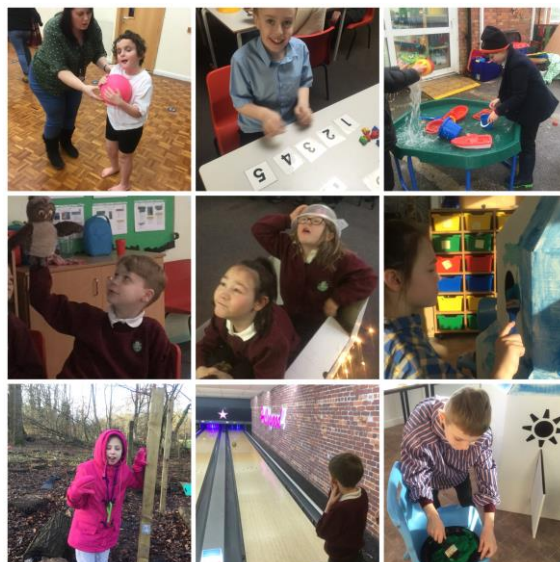

This term we have been focusing on our topic *To Infinity And Beyond*, giving us endless learning about space. Our sensory story and English work this term is based on Jill Murphy's story *Whatever Next?* We have also continued with class breakfast, cooking, and Maths. This term we are covering Geometry and also working on number and measurement in the environment around us.

This term in cooking, Conway has baked flapjacks and cheesy scones with Megan, which have also looked fabulous!

Have a fantastic half term,

Conway Class 😊

Some photos of our learning

Above: Fabulous work from this term featuring all of Conway class.

Above: Our students with Louella at our class bowling party.

Dates & Points to remember:

- Friday 9th February – Last day of term
- Monday 19th February – First day back after half term.
- Thursday 1st March- World Book Day.
