Class Name: Skipton

Term: Autumn Term 1

Topic: Our Island Home!

What we have been learning this term:

English: In English we have enjoyed writing lots of letters, all loving the story of 'The day the crayons quit'! We thought about how the crayons were feeling and why they decided to quit. We then wrote back as Duncan the boy who owned the crayons, trying to convince our favourite crayon to stay.

Maths: In maths we have worked really hard with our numbers, remembering our number bonds to 10 and even 20! We know how to count on and that when we add two numbers, the total gets bigger and if you swap the numbers around the total doesn't change.

History: Wow, we have loved learning about 'The Great Fire of London' and can now retell the story, but we certainly do not want to be 'Gong Farmers' who had to collect all the pooh (YUCK)!!!

Science: is it magnetic? We have become scientists too, finding out if objects are magnetic or not. We have also learnt about the forces of push and pull and the effect they have on an object.

RE: In RE we are beginning to look at different places of worship and why they are important to different religions.

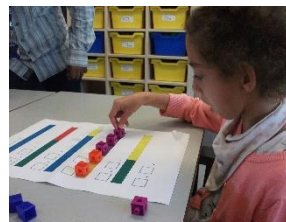

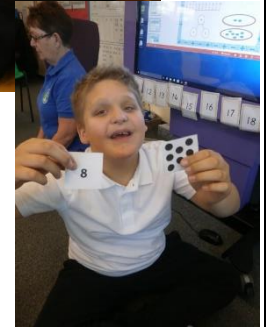

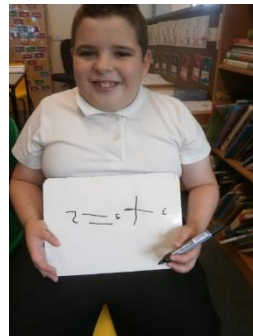

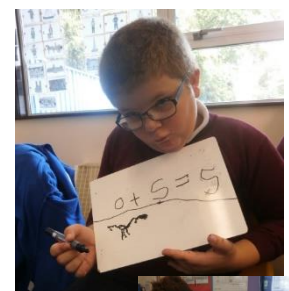

Geography: Our Island home is the United Kingdom and we have found out about the four countries of the UK, their capital cities and the seas and oceans that surround them. Our map reading skills are improving.

PSHE & Citizenship: We know how important we are and that we are all unique and special in our own way and that it would be so boring to all be the same. We have also learnt that we can be rich in many ways, not just money and that to have food to eat, a warm bed, water to drink is indeed rich!!!

Music: Some of us have been learning the violin, whilst others have been learning a 'rap' song called 'Hey You', where we have to keep a strong pulse. Oh yes one last thing, we have learnt a dance, especially for when the Morris Men to the tune of 'Portsmouth', it is something special.

Happy Holidays Everyone!
