

Classroom News

Class Name: Chillingham

Term : Spring 1 2018

What we have been learning:

Some photos of our learning

This term our topic is Space. In English we have been reading a book called *Whatever Next*, which is about a bear that makes a rocket and flies to the moon for a picnic. We have explored this book through massage, sensory experiences, art as well as sharing the story at our desks. Also in English we have been practicing our mark making and fine motor skills.

In Maths we are practicing our numbers skills and using cooking as a way to explore pliable materials. We like feeling the texture of the dough and sampling the biscuits once they are cooked.

We have been looking at the Sun, Moon and Earth in Science and exploring different mediums in Art to create space related pictures.

In PE we are exploring and practicing different types of balls skills. In Drama we have been zooming to the moon.

Dates to remember:

Last day of this half term is Friday 9th February.
Start of next half term is Monday 19th February.
