Class Name: Totnes

Term : Spring1

What we have been learning

Some photos of our creative work this half term.

Doesn't time fly! How are we half way through the year already?

This half term has been a creative one. We have been learning all about space and as a result have enjoyed using our imaginations in all areas of our work.

In art, we have been busy blow painting our very own planets. This was a fun activity that took a lot of puff and I think it's safe to say that regular breaks were needed. When our planets were completed we worked hard to write some descriptive writing including adjectives and conjunctions.

In literacy, we have been looking at story writing and thinking about how to really engage our reading audience by playing with their emotions. During reading, we have also looked at how reporting clauses in speech can help us to understand the expression needed in order for the text to be read effectively.

In science and ICT we have been looking at animations and the children have enjoyed creating their own animations using concrete objects and pictures.

The staff here in Totnes class are very proud and would like to congratulate all of the children for their hard work this term. As always would like to remind students to stay safe but have fun during their week off school.

- Totnes Class

Dates & Points to remember :

Monday 19th February 2018– Start of term

Thursday 1st March 2018 – World Book Day (dressing up day)

Friday 23rd March 2018 – Sport Relief Day

Thursday 29th March 2018 – Last day of term
