

Classroom News

Class Name: Dover

Term : Autumn Term 1 2017

What we have been learning:

We have had a really busy start to the year. Our topic this term is 'Our Island' so we've been doing loads of different activities that link to this.

We have been cooking lots of different British food including toad in the hole and scones – yum!

In art we have been learning about traditional crafts. We have been weaving using lots of different materials. We have also created some harvest pictures using pasta and beans.

On Tuesday afternoons we have been going to the Kennet School for D.T lessons. Using a number of different tools we have been making our own game of 'beetle drive'. We have had to cut the wood into the right shape for the beetles, then drill holes for the legs and antennae. We've really enjoyed it.

In history we have been learning about World War II. Last week we learned about Dunkirk and how ordinary people helped to save the soldiers. Linking into this we have been studying 'Goodnight Mr Tom' in English. As part of our learning we are going to visit the setting for the film so we can see Little Weirwold for ourselves. We have also done lots of writing including our own newspaper article!

Dates to remember –

End of term Friday 20th October

Some photos of our learning
