Class Name: Cardiff Term : Spring 2018 Whole School Topic: To Infinity and Beyond

What we have been learning

Some photos of our learning

This term we have introduced our new topic 'To Infinity and Beyond'. We were very excited because a planetarium came into school and the children were able to watch stars and planets spinning around them.

In English we have been reading the story Aliens love underpants. Each week we act out the story using lots of props and the children love getting involved. Sasha and Leo love to help the other children peg the pants on the line. Lexie, Amelia and Benjamin enjoy exploring our alien sock puppets. Tony likes it when the alien uses the pants as a trampoline and Bobby likes sliding the alien down the pants.

In Maths we have been learning about colours and how to make colour patterns. We have also been using the sensory room to look at light and dark.

Special Moments:

Dates & Points to remember :

Sasha and Leo being so helpful with the other children in class.
Lexie's fantastic communication when she wasn't feeling very well and that she wanted a turn on the bike.

Friday 9th February – Last day of term
Monday 19th February – First day back after half term.
