Class Name: Pendragon Term : Autumn 1.

## What we have been learning:

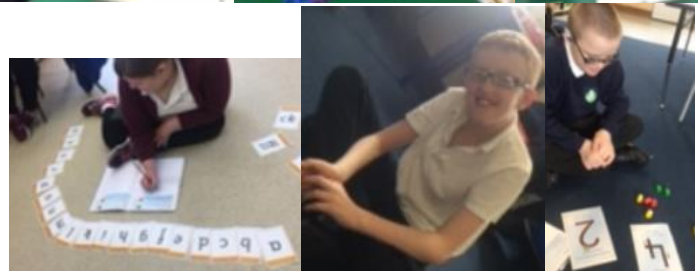

We have all settled really well into Pendragon class, particularly those who have transitioned over from primary house, as well as Alex who is new to our school. We have all made new friendships within the class and work beautifully together, supporting one another, and having lots of fun! ☺ This term's topic is 'Our Island Home'. We have all thoroughly enjoyed learning about the different countries that make up the United Kingdom, through trying different foods and sensory stories.

In Maths we have worked really hard on our number skills and all made great progress – making me very proud! ☺ We have been learning to count, recognise numbers, add and take away, and some of us have even been working on multiplying and dividing!! – WOW!

In English we all LOVED learning about Shakespeare and Romeo and Juliet. We particularly enjoyed the fight scenes and lots of people dying! We all wrote our own versions, which were AMAZING! ☺ We have also been focussing on our sentence structure, reading and comprehension skills.

In our topic lessons we have been learning about electricity – finding electrical items and identifying how to be safe around electricity.

## Special moments:

Ollie has been so eager to learn. I am so proud of how much he has remembered from last year – well done! ☺  
Frankie has had a 'I can do it' attitude this year, so is making lots of progress already -Superstar! ☺  
Archie has settled well having a different class and friends – he has been super cheeky and making us all laugh! ☺  
Oliver is so kind and helpful – he loves playing teacher, being Meaghan! – Amazing! ☺  
Angus is so focussed on his learning. Golden moment of the term is him writing his name with no help! Whoop! ☺  
Kai has been so settled since having his operation and showing us he can get it right – awesome! ☺  
Willow has taken huge strides in her learning and made so much progress - good job! ☺  
Alex has settled beautifully into Castle School. His handwriting has come on so much – keep it up! ☺  
Adam has made great progress in his Maths, and showing he can be independent in his learning – Fab! ☺
