

Classroom News

Class Name: **Tiverton**

Term : **Spring 2018**

Whole School Topic: **To infinity and beyond**

What we have been learning

Some photos of our learning

Tiverton Class have been working hard learning about shapes and positional vocabulary. We have set the hall up and directed our friends around a maze, drew a road map and wrote directions for our friends to use to move the Beebots.

We have been learning lots of skills in cooking and last week learnt a variety of ways to cook an egg! Also the very useful skill of washing up and drying up. So if you need the washing up done at home, you know who to ask!

In English we have been studying the book *Cakes in Space*, we have had lots of fun designing our own sleep pods. Also we wrote some very persuasive posters advertising the planet Nova Mundi.

Can you answer one of our riddles?

Dates & Points to remember :

Tuesday 6th February – Olympian Marissa King Visiting

Friday 9th February – End of term

Monday 19th February – Return to school

Josie reading us our class story, *The Twits*.
