

Classroom News

Class Name: Lancaster

Term : Spring 1 2018

What we have been doing

Happy New Year

Lancaster would like to wish you all a happy and prosperous 2018.

The students have been experiencing and taking part in a huge amount of activities. Despite this term being short we have hit the ground running! Rugby sessions are still in full flow, their hard work and determination has been rewarded as they have their first ever game against Park House in the next few weeks. Students have also been invited to take part in a tag rugby tournament at the Madjeski stadium, which will end with them having the exciting opportunity of watching London Irish play.

In music we have been writing and singing our own version of Eminem's track 'I'm not afraid'. Whilst on the theme of rap, Luke Ralph has written a rap song about going to Post-16, he and John Small were given the amazing opportunity of musically recording this and it is available for download.

The curriculum

This Term we have timetabled a series of PSHE lessons which have focused on emotions, friendships, well-being, boundaries and responsibilities. We were given the valuable opportunity in association with Mary Hare School of watch the 'Risking it all performance' at Arlington Arts, which dealt with modern day issues our teenagers face.

Students in Lancaster and Caernarfon were given the opportunity for some exam practice in exam conditions during the past few week. All students were very mature in their attitude and approach during this time.

WOW provided an insightful and informative experience at Barclays bank on the 23rd January in Newbury. Where Lancaster students were taught about banking, personal accounts and money.

Enjoy the half term holiday

Some photos of our learning

Fun on the rugby field
