

# Classroom News

Class Name: Balmoral

Term: Spring 1

Whole School Topic: To Infinity and Beyond!

## What we have been learning:

In Balmoral class we have loved learning all about space in our new topic 'To Infinity and Beyond!'

- In English we have been looking at different stories based around space. We have read 'Whatever Next!' and 'Mickey Moonbeam'. We are now working on writing our own stories about space!
- In maths our work has been based around shape, position and direction.
- We enjoyed a special visit from Winchester Science museum who brought a planetarium in to school!
- This term we have been very lucky to have Nathan a special PE coach come in to school to teach us Boccia.
- Our Friday morning inclusion sessions with Conway class continue to be one of the highlights of our week. This term we have made space playdough, decorated planets using foam clay, dressed up as astronauts and used a stomp rocket on the playground!

## Some photos of our learning

## **Dates for your diary:**

*Friday 9th February – Last day of term*

*Monday 19th February – First day back after half term.*

*Thursday 1st March- World Book Day.*
