

Classroom News

Class Name: Windsor

Term : Autumn 2

Whole School Topic: Our Island Home

What we have been learning

Windsor have been learning about measurement in maths this term. We have been using lots of words relating to measurement including long and short, thick and thin. We have been using standard measures for length and comparing which ones are the most accurate. We have also been measuring our ingredients in cooking lessons. We did lots of measuring of how far we had walked for our children in need Challenge and raised lots of money. Thanks for your sponsorship.

We are making really good progress with our money skills and have been practicing paying for our snack, recognising coins and working out change. Philip is working on different ways to make 5p.

We have been doing some great independent writing this term and have written postcards, messages lists and cards. Some of us have been working on using adjectives in our writing. We have also been learning phonics sounds and practicing blending letters together to read words.

We learned how to work with lots of new tools at Kennet school in our DT lessons this term.

Some photos of our learning

Special moments

We enjoyed watching Zootropolis at Vue Cinema.

Windsor class have now all finished their Discover arts award and will hand our 'Arts and Culture passports' in to the Corn Exchange so that we can receive our certificates. We visited Shaw House the final arts venue on our Passport. We were extremely sensible and quiet and looked really carefully at the exhibition when completing our quizzes.

Dates and points to remember

15th December – Corn Exchange panto 1pm – Beauty and the Beast) please can you pick your child up from the Corn Exchange that day at 3.20 pm, as we won't be back in time for school transport. Please remember to send a packed lunch.

End of term 19th December at 3pm

Return to school on Thursday 4th January 2018
