

Classroom News

Class Name: Lancaster

Term : Autumn 2

What we have been doing

Can you believe it we are already knocking on the door of Christmas!

It seems a long time ago now, but Lancaster got into the Halloween spirit with carving pumpkins and creating the Post-16 spooky window display...which we won!

Lancaster had the fantastic opportunity to listen to and take part in the music for autism performance at Post-16. Alisha gave us a sneaky preview from her performance in Cat's by singing 'memories' beautifully.

Castle School took part in raising money for Children in Need, and Lancaster did their bit by taking part in a triathlon. With Lily, Chris, Alisha, Nathan, Kirra and Jamie swimming almost 40 lengths together.

Lancaster had a fantastic afternoon during WOW on the 28th November, where they had the chance to look around Reading FC. They were given a talk about the variety of jobs at Reading FC including their roles and responsibilities.

The curriculum continued.....

For English, the Watermill saw some fantastic performances from Lancaster and Caernarfon with their reviews of different types of comedy. Nathan and Danny led the show with a comical interview scene.

In music Lancaster and Caernarfon have been creating their own 'Eminem' style rap, using the theme of getting back up when life is tough to create the lyrics.

The class book 'Room' culminated with us watching the film version and discussing the differences and similarities between the two.

Enjoy the holidays and hopefully you'll come back fully refreshed.

Some photos of our learning

Dates & Points to remember:

- 4th January 2018: Term starts.
- 12th February 2018: Half Term
