Class Name: Swansea

Term : Summer 1 2019

What we have been learning

Some photos of our marvellous work this half term.

We have had a short but very busy term! We started our new topic 'The Living Rainforest' and have been reading a new sensory story 'We're Roaming in the Rainforest'. As part of this we are trying a range of touch, visual, taste and smell activities and we are working on developing preferences and making choices.

We are continuing with lots of our favourite activities each week including; pass the bag around the circle, lots of nursery rhymes, switch work and messy play.

Those of us that attend music therapy have continued to make brilliant progress. We are continuing to play a range of different instruments including bells, drums, woodblocks and the cabasa. We have also started a new musical story about animals in the coconut café.

Next term we are excited to start Rebound Therapy on the trampoline. Jo K spent two days training so she can support us! Thanks Jo! ☺

Special Moments this term!

- Freddie has started to accept lots of tastes of new foods!
- Iyla has used her switch to communicate 'more' at snack time brilliantly!
- Kiera played the tambourine for the first time in music therapy!
- Lena has been starting to exchange pictures for toys she would like.
- Lili has been in a brilliant mood all term and has engaged in some brilliant play.
- Lewis has continued to communicate and using three word strings to request.
