

# Classroom News

**Class Name:** Chillingham

**Term :** Autumn 2

What we have been learning:

Some photos of our learning

Continuing on from our island home topic, we have been learning about the Great Fire of London through sensory message stories, English, Art and Cooking. In Art we have created a display showing the bakery, the houses on fire and the River Thames where the people fetched their water from. In cooking we have been making and evaluating bread rolls. Some of us did like the taste but not the smell!

In Maths we have been continuing with our number skills through daily activities and ICT games on the Interactive White Board.

In our Topic work we have been looking at homes and houses. We looked at different types of homes, identified objects that you would find in different rooms and finally we made our own houses. We have been learning about rhythm and beat in Music using boom whackers, and in Drama we have we have doing a Halloween sensory message story.

As if that's not enough, we have been learning to keep our classroom clean and tidy by washing up, cleaning tables and windows as well as doing the weekly laundry.

**Dates to remember:**

Tuesday 19<sup>th</sup> December – Last day of term  
Thursday 4<sup>th</sup> January – Back to school
