Class Name: Skipton

Term: Autumn Term 2

Topic: Our Island Home!

## What we have been learning this term:

**We have been so busy this term, but here is just a snippet of some of our learning:**

**English:** In English we have been focusing on information texts and produced our own book all about farm animals. We designed our own page with an illustration, caption and 3 interesting facts, to include my favourite from Jack and Louise that horses did smelly poos!

**Maths:** We have been measuring in maths to include height, length, weight, mass, capacity and time. We were challenged to remember key facts, did you know there are 60 seconds in a minute and 60 minutes in an hour? Please keep testing your children, so they remember.

**ICT:** We are ICT wizards in Skipton and have been using the 'Windows Paint' programme to create different pictures to include emotions and scenes from different cities. We have even taught Jo, different tricks. I hear you ask, who is the teacher?

**RE:** So in RE, we have been learning about different religions to include Hinduism and Judaism. We looked inside a Synagogue and heard how Hindus have a temple in their own houses, where they worship using a Puja tray.

### Skipton's Magic Moments

**Charlie:** You are our Doodle Maths King, so many stars, what a Super-Star!

**Harry:** You have been so helpful in class and always sure that everyone has a drink at snack-time.

**Chloe:** We have been so impressed with how you share your learning at home and how much you remember, it is wonderful to read this in your diary.

**Ethan:** What a super-star you have shared your learning so confidently and have remembered to put your hand up too!

**Harvey:** Skipton's Number 1 pencil sharpener, singing super-star and my PA, thank you!

**Leah:** You were the most convincing super-hero and we loved your super-hero pose.

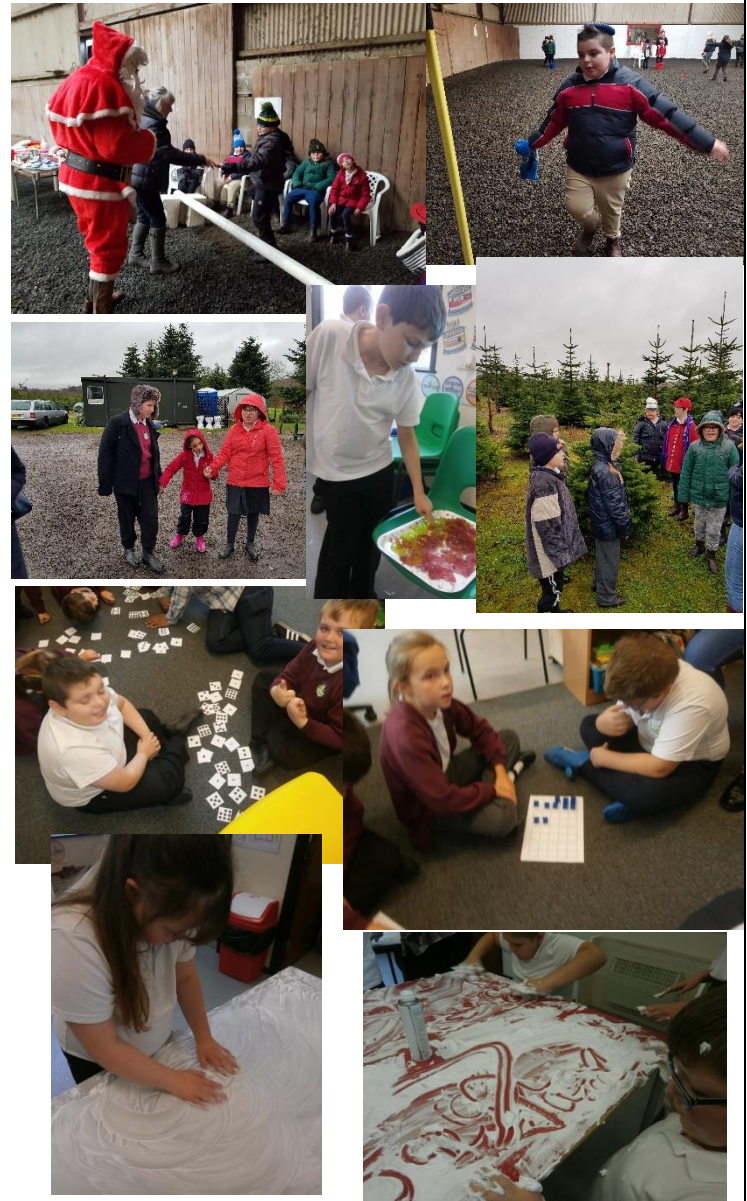

**Dante:** Dynamite the super-hero, you were so enthusiastic about being him and told everyone you met.

**Louise:** Little Miss Independent, you have given everything a go and getting your splints for us too in the morning, amazing!

**Jack:** You have been so kind, always there to help others, making sure they have everything they need for their learning. Thank you!

**William:** You have become my own personal fitness instructor, helping me with morning exercise. I will be out of a job soon!
