

# Classroom News

Class Name: Oxford Term : Autumn Term 2 2017

## What we have been learning:

We have had another busy term in Oxford Class.

### English

In English we have been studying Shakespeare's Twelfth Night. We have looked at play scripts and learnt to identify the key features. We also explored stage directions. We enjoyed exploring how the different characters are linked through a complex web of love and hate! We were so keen on Twelfth Night that we are working towards performing a mini version of the play to Totnes Class. Watch out The Royal Shakespeare Company!

### Science

In Science we have continued to explore forces and motion. We have tested the stretchiness of jelly sweets and investigated if they became more or less stretchy if they were wet or warm.

### ASDAN

We have been learning about 'The Wider World' in ASDAN and been learning about China. We have learnt about the physical and human features of the country and also its weather and food. We have a visit from Amy's friend Brian, who taught us how to speak Cantonese.

### INTO Film Festival

We were lucky enough to get free cinema tickets as part of the INTO Film Festival. We visited Odeon cinema in Basingstoke to watch Boss Baby. We all enjoyed the visit.

### Foodwise

We have been learning the tricky art of bread making. We made bread rolls, hot cross buns (yes we know it's not Easter!) and pizza bread. All of them were delicious.

### Children in Need

We all went swimming at Northcroft Leisure Centre. The children were brilliantly behaved and added lots of distances to our school swimming total. Danny was amazing in the water and overcame his initial trepidation and was even jumping in by the end of the session.

**Date to remember** – Term Starts- Thursday 4<sup>th</sup> January 2018
