I can't believe it's almost Christmas! Pembroke Class are really looking forward to a restful break after what has been a very busy term! The boys have been working extremely hard and have made great progress, both socially and with their maths, English and phonics.

We have continued 'Our Island Home' topic by learning about The Great Fire of London. The boys loved learning about the fire and taking part in the retelling of the story by exploring artefacts. Using the computer, the boys 'used' fire equipment from 1666 to try and stop the fire. They found this very difficult!

In cooking, the boys have made Halloween spider cakes, fruit firework skewers, chocolate cake, pizza bagels and vegetable soup. They have really impressed us by being brave and trying a variety of fruits and pizza toppings. They even tried a small piece of mince pie and Brussel sprout and said whether they liked or disliked it! We discussed that it's ok not to like things, but you must try them in order to find out! ☺

This half term, we have also been working on our small steps towards independence and life skills. So far we have learned how and when to wash hands, how to clean our teeth and faces properly.

Have a wonderful Christmas break and a very Happy New Year!
