Class Name: Nursery Term : Summer 1 2018 Whole School Topic: Bugs and Shrubs

What we have been learning

Some photos of our learning

This term we have been working on our new topic of Bugs and Shrubs. We have embraced this fully through our songs and art work and our morning circle time routine. We have been reading the story of The Hungry Caterpillar and enjoying some activities linked to this.

This term we have enjoyed developing our cooking skills. We have touched a range of new things and made different foods.

We continue to enjoy time out in the main nursery, particularly the garden at this time of year. We like the climbing and the swing the best. Butterflies enjoyed sharing the chicks for the afternoon and watching them creep around the cage. Have a lovely half term.

Dates & Points to remember :

Monday 4th June - Start of term

Saturday 9th June – Summer Fete

Monday 9th July – Class swap over afternoon

Friday 20th July – Last day of term
