

Classroom News

Class Name: Nursery Term : Summer 2 Whole School Topic: Bugs and Shrubs

The end of an era

It is with a little sadness and some excitement that this will be the last official Nursery Newsletter for The Castle School. Our time at Victoria Park has been great and our pupils have shared some wonderful times. But all good things come to an end and we are excited about the move up to main site and the opportunities it provides for pupils. I want to thank you all, each and everyone of you for the support you have provided us over the year. Its been such a pleasure to watch the pupils grow and develop in our care and I am excited about what the future holds.

It is also with sadness that we say goodbye to Kim Tillen, the nursery TA. She has worked at the nursery for many years providing great opportunities for our pupils. We will be very sad to see her go but wish her all the best in her next adventure.

So all that remains from this newsletter is to wish you all the best for the summer holidays with hopefully some warm summer days and a good rest for you all. I look forward to catching up with you again in September and leave you with some wonderful memories from this year. Happy Holidays!
