

Classroom News

Class Name: Plympton

Term: 1

What we have been learning this term:

We cannot believe we are reaching the end of the first term already! It is so impressive how all our students have returned and transitioned into Plympton Class.

Whilst settling back to school after the summer break, students have been hard at work and very busy. We are fortunate enough to access lots of out of class learning opportunities. A highlight of the week has been working alongside Wallingford Class at Growing2Gether. We have cleared and prepared the allotment beds, planted new seeds and covered the area with netting. It has been incredible to see the students communicating and interacting with each other and we look forward to seeing the results of our efforts later in the year.

On a weekly basis, we complete English and Maths work related to life skills, go shopping and then cook. All students have excelled during these sessions, explored and begun developing life skills and most importantly, enjoyed eating their culinary masterpieces!

We hope you have a lovely half-term.
The Plympton Team

Photos of our learning:

Key Dates

Last day of Term 1: Friday 19th October

Half Term – Monday 22nd to Monday 29th October

First day of Term 2: Tuesday 30th October

Plympton's WOW moments:

Thomas has returned to Post-16 and set a great example to his new peers. We are very proud of the relationships he is beginning to form and the way he has embraced the changes.

Finlay has had many fantastic WOW moments, particularly linked to his communication. We have been blown away with some of Finlay's speech, which has been clear and in context.

Harry has taken to horse riding at RDA brilliantly and has shown a natural affinity with the horses. His enjoyment has been a privilege to see and if Harry has his way, he will be on the racetrack by Christmas!

Ben's music therapy sessions have been very special. His engagement, enthusiasm and skill has been wonderful; made all the better by Ben's infectious smile.
