What we have been learning:

Some photos of our learning

Hello! We are Swansea Class. We are a new KS1 class at The Castle School. This term we have been settling in to our new classroom, getting to know the routines of our new class and meeting our new friends and the staff who help us every day.

Some of our favourite activities include exploring the different lights and the OMI vista in the sensory room, swimming and splashing in hydrotherapy, relaxing to different sensory experiences in TACPAC and singing lots of different songs throughout the school day. We are a very social bunch, we love going out to visit different people throughout the school day too!

You can keep up to date with all of our hard work on tapestry. If you need help logging in just let one of the class team know.

Have a lovely half term break and we will see you soon!
