Class Name: Skipton

Term: Autumn 1

Topic: What's on your plate?

What we have been learning this term:

We have had the most fabulous term in Skipton, making new friends, with so much learning going on. Here is just a snippet of what we have been up to:

English: In English enjoyed writing our own 'Gigantic Turnip' stories, that has been made into our own class book.

Maths: In maths we have been practising how to add and subtract, using a number-line and recalling our number bonds up to 20.

History and Geography: We have enjoyed thinking about where all our food comes from and all the different countries it has travelled from. We have used our mapping skills to find these countries, asking so many questions. We have also thought about how little food there was during the war, making some meals that that were eaten, during rationing.

Life Lessons: This term we have looked at how our bodies work and change as we grow-up. We looked at how we have changed since we were babies and what we can do now, that we couldn't do as a baby.

Skipton's Magic Moments

Bobbi: You come in everyday and get on straight with your work and have answered so many questions – wow!

Ethan: You have an amazing memory and it has been wonderful to hear you share this with all your friends – brilliant!

Alex: What an amazing artist, we all love how you take your time and are so precise when you colour in – Superb!

Harvey: Thank you for helping us in maths, when we forget our number bonds, you are so speedy at calculating to 20!

Joe: You are another budding mathematician, well-done for asking us to challenge you too!

Christian: Wow, we are so pleased with all the questions that you are answering and how you now are working independently – brilliant!

Connor: You come in everyday with a happy greeting for everyone and always make sure everyone is okay. What an amazing friend!

Amber: You are now far more confident and it has been a joy to see how quickly you solve all those one-step problems in maths!

Kurt: You have impressed with how many train stations you know and what sound they start with. We have learnt so much!

Dante: You have so many amazing words to share Dante, and this was so helpful when we wrote our 'Gigantic Turnip' stories – Thank you!

Some photos of us!
