Class Name: Chillingham

Term : Autumn 1

What we have been learning:

Some photos of our learning

Hi All.

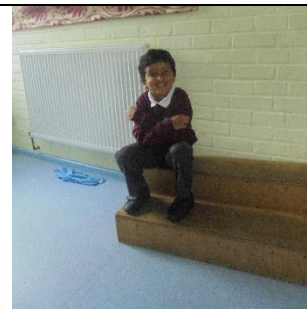

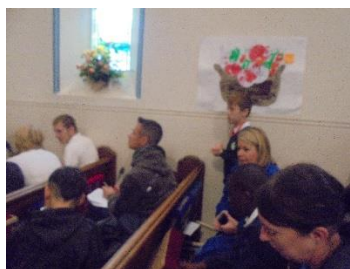

Yet again we have had a busy start back at school. Firstly, we have welcomed a new class member, Taksheel, who has joined us. However, sadly this week we have said goodbye to Delius and wish him the best of luck for the future.

Our topic this term is food on our plate. For this we have been reading Handa's Surprise and exploring the fruit in our story through art and our senses. We have been harvesting the crops we have been growing and sampling them too as well as making pizza, where some of us have been to the shops to buy the ingredients.

We have been continuing with developing our life skills, our communication skills and getting involved in activities with other classes. We have visited the church for harvest festival and enjoyed the singing.

Enjoy the half term break.

From the Chillingham Team.

Dates to remember:

Last day of this half term is Friday 19th October 2018.

First day back after half term is Tuesday 30th October 2018
