Class Name: Colchester Term: Autumn 2 Whole School Topic: What's on my plate?

What we have been learning

What a busy half term we have had in Colchester:

In English we have been thinking about healthy eating: meal planning and writing shopping lists. Remembering to use capital letters, finger spaces and full stops. We have used some great adjectives to describe the food: scrumptious and mouth-watering are two of my favourites.

In mathematics we have been learning about measurement and number. Using our estimating skills to predict how heavy things are. Balancing objects using different resources. Another measuring area we have learnt about is capacity and learning if a container is full, empty, half full or nearly full. As well as continuing with our number work of adding, subtraction, multiplication and division.

In History we looked at how the Stone age people lived, the types of materials they used to build their house with. Then designed our own home using wood, stone and animal fur. It was a hard life and none of us would have liked to have lived then

Life skills we have been talking about how our bodies are changing as we grow up. Thinking about the different emotions we are feeling. Also we have learnt how to keep ourselves safe on the internet. That we need to tell our parents or a trusted adult if we feel worried about things we see or hear.

Some photos of our learning

Special Moments:

Our biggest special moment has been when we all performed on the stage at the Corn Exchange.

We will always remember that experience, everyone was just amazing.

Zack, Layna and Emily singing at the carol concert at St.Nicholas church, wow that was a special moment!

When we won the Unusual Herb Container competition!!

Dates & Points to remember :

Monday 7th January – staff training – NO SCHOOL

Tuesday 8th January – first day back.

Wednesday 30th January – SAP parent's evening

Friday 1st February – NSPCC Number Day

On behalf of Colchester class we would like to wish you all a merry Christmas and a very happy New Year.
