

Classroom News

Class Name: Wallingford

Term : Autumn Term 2

What we have been learning

This term has been a full and busy one, and the students continue to put their all into work and life in Wallingford Class.

The students have all made valuable contributions in our Relationships sessions. It is fantastic to see them mature, and develop empathy and sensitivity for each other.

It is a pleasure to teach the Functional Skills Maths and English curriculum to the students. They are keen to learn and apply their new skills in practical and useful ways in everyday life.

Our class book 'The Boy in The Dress' by David Walliams has been really popular. We have laughed and cried in equal proportion, It has been fantastic in addressing how everyone is different, but all wonderful in their individuality. They have loved it so much that they have voted to read 'Mr Stink' by David Walliams next term!!

Special moments

Alissa and Brandon have worked tirelessly at Rushall Farm and love every minute of their Tuesday. Sophie is becoming more proficient at steering her horse and trotting at RDA. Esme and Ricky are in their last year at Post 16, and have both made a fantastic start at their new World of Work placements. Ashton, has made an admirable recovery from his surgery, and is now back at school. We have missed his wonderful charisma and charm this term.

Abi has really progressed in the yoga sessions, and has developed a real love for it. When Sammy is in, he always makes an excellent contribution in our PSHE sessions. He is a sensitive, astute young man. Steph has been assisting in art sessions at Love Lane with Renee. She is a truly talented artist. Naomi led a Sighted Guide session for her peers this week. She was a confident and patient teacher.
