Class Name: Windsor Term : Autumn 2 2018

Whole School Topic: What's on your plate?

What we have been learning

Windsor class have been working very hard being Santa's elves and buying presents for each other! We used laptops to research what we would like to buy for our secret Santa person and then went to The Works to buy our presents. We learnt lots about having to keep to a budget and were all able to pay for the presents we chose. We did find it tricky to remember that we were buying presents for a friend and not for ourselves, but we were able to give our friends some good tips about what they should buy us! Back in class, we learned how to wrap presents and wrote our own labels. We are looking forward to unwrapping our gifts!

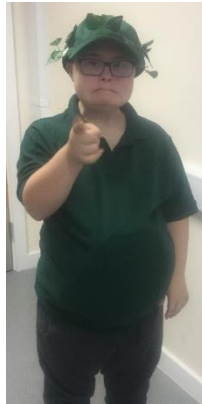

We have been working very hard to develop our number skills and have had a Halloween witch and now Santa and his reindeer to help us count, add and partition numbers. We have also continued to develop our money skills in our class snack shop and at the supermarket.

In English we have been learning to write letters and have been able to say a big thank you to the actors of the pantomime that came to visit the school and to Post 16 for making a brilliant café for our class.

We have been learning about public and private parts and places in our sex and relationships lessons and we are working hard to remember these rules.

Windsor class pupils and staff would like to wish you a merry Christmas and a happy new year.

Some photos of our learning

Special Moments:

We all enjoyed our trip to the cinema to see Early Man and we are particularly proud of the students who did this for the first time.

We had the opportunity to pick our own pumpkins at Borne Valley PYO farm.

Well done to the students who sung beautifully at St Nicks carol concert – we are very proud of you!

Dates & Points to remember :

End of term – Thursday 20th December.

First day of the Spring term 8th January.
