Class Name: Dover Term: Autumn term 2 Whole School Topic: What's on our plate?

Some photos of our learning

What's been going on in class

We have had such a busy term over the last eight weeks!

We have been lucky to enjoy lots of different events including a bonfire party, workshops from the Newbury Show, drumming workshops, a visit from the pantomime as well as our own trip to the cinema to see Goosebumps 2!

When we've been in class we have continued looking at Charlie and the Chocolate Factory in English, looking at the way that Roald Dahl uses effective descriptions and creating our own characters and rooms for the chocolate factory and writing incredible descriptions for them!

In science we have been look at 'States of Matter', what these are and how they can change. We thoroughly enjoyed demonstrating how particles move during each state of matter and have taken part in lots of different expermiments to explore the changes that can happen.

In our life lessons we have been exploring how to keep safe online, using the laptops to explore safety websites and find our more information. We have also discussed lots about how we communicate online and what information should be shared with who.

Wishing you a very Merry Christmas!

Dover Class

Dates & Points to remember :

Tuesday 8th January - Start of term
Wednesday 30th January – SAP Parents Evening
Tuesday 12th February – Year 9 vaccinations
Friday 15th February – Last day of term
