

The Castle School

A SPECIALIST COLLEGE FOR COMMUNICATION & INTERACTION

June 2018

Dear Applicant,

I would like to thank you for the interest you have shown in our Teacher post and I very much look forward to receiving your application. The Castle School is a dynamic and exciting hub of learning and has been judged as Outstanding in our most recent OFSTED visit. We are a very open school and a very supportive and nurturing place to work with a very comprehensive training and induction package. The Castle School is an all-age community special school based in Newbury. We cater for 169 students with a diverse range of needs from nursery up to 19 years of age. The school is based on 3 sites in Newbury.

Due to expansion we are looking to appoint a new teacher to join our passionate and committed team. All classes in our school are small and well-staffed.

I am keen to hear from teachers with experience in any phase, be it mainstream primary or secondary as well as from those currently working in special school. We have flexibility on which class you will work with and as such will look at each candidate's strengths on appointment. We also offer a comprehensive and ongoing training and support package.

More information about the school can be found at www.thecastleschoolnewbury.org.uk
