Class Name: Balmoral Term: Spring Term 1 Whole School Topic: On the Move

Some photos of our learning

What's been going on in class

In English, we have been looking at different genres of non-fiction texts. We have looked at information books, poems and writing in chronological order.

The children have really enjoyed learning about all their different features and are now able to source a contents page and index page.

In Maths, we have looked at doubling, halving and data handling. The children have enjoyed creating tally charts about school transport and changing them into pictograms.

In topic, we have explored special places within RE. The children have created their very own stain glass window and have also looked at the different continents within Geography.

The children had fun looking at the different climates that continents have due to how close they are to the equator and they have had great fun looking at all the different landmarks that can be found within the continents.

The children have also really enjoyed learning tennis skills with Coach James and were sad that the sessions came to an end. However next term we have football lessons to look forward to.

Amy says 'What a great term we have had! I am so pleased with how much the children are maturing and it was a pleasure to share all of their success and progress with parents at the SAP's evening. Remember to rest well and I will look forward to seeing you after half term'.

Special Moments:

- Megan is able to now walk with flat feet when reminded more confidently.
- Max has been a star at communicating and showing friendship to his peers in Richmond.
- Joshua has shown fantastic listening in Tennis.
- Dylan has made amazing progress in his Phase 3 phonic sounds.
- Tom is now able to independently trace the letter 'd'.
