

# Classroom News

Class Name: Dover

Term : Spring 2

Whole School Topic: On the Move

What we have been learning

Photos of our learning

What another lovely term Dover Class have had! We have been extremely busy yet again and managed to fit in lots of exciting activities!

## World Book Day

To celebrate World Book Day we all dressed up as characters from different stories and all looked amazing, especially Aiden who won the school competition dressed as a scarecrow! We also went on a trip into town where we used our £1 book tokens to choose and buy a book. We also managed to fit in a trip to Marks and Spencers café – enjoying a cake and a drink!

## Science Week

We have all thoroughly enjoyed science week. We had an amazing workshop by Science Boffins where we watched lots of experiments, we really enjoyed using the dry ice to make slushies! We loved finding out how to make lava lamps using oil and water and we then planned and taught this science experiment to Balmoral class!

## Design & Technology

This term we have also been lucky to go to Kennet School each Tuesday to work on a DT project with Mr Groves. He has been teaching us how to make an electric car! It has been really fun using different tools and working carefully to make these.

Special Moments:

Our special moment for this term was teaching Balmoral class our science experiment. Dover Class were so professional as teachers – showing how to be role models and teaching them all we knew!

Dates & Points to remember :

**23<sup>rd</sup> April** – First day back

**6<sup>th</sup> May** – May Bank Holiday – NO SCHOOL

**15<sup>th</sup> May** – SAP Parents Evening

**24<sup>th</sup> May** – Last day of term
