Class Name: Richmond Term: Spring term 4 Whole School Topic: On the move

Some photos of our learning

What's been going on in class?!

We are all loving our learning, and continue to make the staff proud every day, but these are a few highlights from this term...

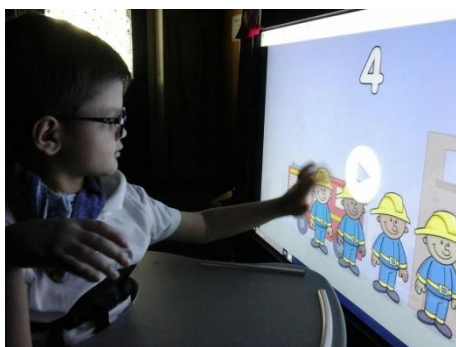

Jude and Sahithi loved going to the Richmond Spa as part of our mental health and well-being learning in PSHE ☺ They both really focussed on the sound and how the water bubbled away, and enjoyed the tickling sensation on their feet!

Faye is increasing her area of focal interest and is now reaching for objects out of her immediate visual field ☺

Otis' receptive language understanding is really improving, and he is demonstrating this in different activities

Louie continues to work hard in music therapy, and has played the piano this term ☺ Louie has also played 8 bells in sequence, which is such a great achievement

Sireen is reacting consistently to familiar routine – when going into hydro this term she smiled and vocalised, knowing what was about to happen ☺

Richmond Class joined Swansea and Conway for an 'emergency services' afternoon earlier this term, and we enjoyed finding out more about what paramedics do, and the type of kit they carry with them.

We also had Science Week too, and were lucky enough to have

Science boffin Jon come into school and deliver a really exciting assembly for us.... We all thought he was amazing, and loved seeing the dry ice, and how he made objects float in the air!

Have a lovely Easter break, and we will see you all back at school on **Tuesday 23<sup>rd</sup> April.**
