Class Name: Balmoral Term: Spring Term 2 Whole School Topic: On the Move Some photos of our learning

had!

	What's been going on in class	
	The children have had the most fantatsic time	
	learning all about things that move within	
	interactive story books. They have focused	
1 1 2	particularly on traditional tales and have	
	enjoyed making their very own lift the flap	
den a	books.	
dire -	In Mathe we have feelled on the number	

In Maths, we have focused on the number system and looking at the patterns that can be made. Some children have also explored place value and have begun exploring tens and ones to show the value of two-diait numbers.

In topic, we have be finding out all about the life of the Romans.

The children enjoyed creating their very own sheilds and spears and then used these within their solider training where they had to defend themselves in special formations.

They especially enjoyed practising the attack formations against their opponants which were the class staff members).

It has been a very busy term with World Book Day and Science Week but as a result we have got to meet lots of lovely visitors. Our favourite was the Science Boffin who showed us how to make a slush puppie using dry ice.

Amy says:

'What a fun-filled and crazy term we have

I cannot believe how well the children are doing. It's really great to see all the children growing in confidence in relation to their individual SAP targets.

Enjoy the Easter break everyone and try not to eat too much chocolate!'

Special Moments:	Dates & Points to remember :
 Ryland has shown great perseverance during D&T when making his moving vehicle. Dylan was able to cross the tens barriers when counting in ones above 20. Jasmine has shown great skill is javelin throwing during History. Luke was awarded his first ever swimming badge. Max has been writing full sentences independently during writing. Tom is now able to independently say the sounds 'o' 'c' 't' and 'n' 	Tuesday 23 rd April – Back to school. Monday 6 th May – Bank Holiday Wednesday 15 th May – SAP's Parent Meetings Friday 24 th May – Last Day of Term
