

# Classroom News

**Class Name:** Chillingham

**Term :** Spring 2

What we have been learning:

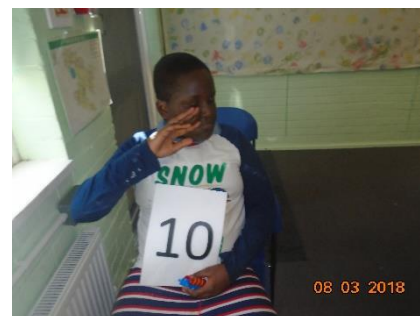

Some photos of our learning

In Chillingham we have had a busy half term continuing our Space topic. We have been working on our English skills through massage and sensory space stories and shared the stories at our desks. For World Book Day we dressed in our pyjamas, listened to the story book 'Ten in a Bed' and acted it out.

In Maths we are continuing to develop our understanding of number through songs and cooking, as well as individual activities at our desks. For music, we have been singing different rhymes and playing instruments to them, for example making a sound for thunder. We have been experiencing different festivals in RE and explored colour for the Festival of Colour called Holi.

We have also been busy practising our life skills and our social skills during inclusion with Conway.

Finally, in Science week we worked with different classes exploring chemical reactions while making volcanos.

## Dates to remember:

Last day of this term is Thursday 29<sup>th</sup> March.  
Start of next term is Monday 16<sup>th</sup> April.
