Class Name: Skipton

Term: Spring 2

Topic: To Infinity and Beyond!

What we have been learning this term:

What a fabulous half-term, the snow days certainly did not stop Skipton being on fire. Here is just a taster of what we have been up to...

English: Poetry for us this term, looking at different poems about the night sky and how the stars make us feel. We have been using adjectives to make our writing even more exciting.

Maths: Odd and even numbers and fractions this term We learnt a special rhyme to help us remember odd and even numbers and worked hard to find half of an amount, measure and shape.

RE: In RE we have looked at the Easter story and the events leading up to Good Friday, understanding why a cross is important to Christians

Cooking: We love to cook in Skipton and enjoy, when our friends from Richmond join us, we have made lots of space themed food and have got so much better at cracking eggs and weighing flour!!!

Skipton's Magic Moments

Charlie: Charlie has been our fraction wizard, reminding us that 2 halves make a whole.

Harry: Harry is our drama king, we has made an amazing, but rather scary alien, using every part of his body to move.

Chloe: Chloe has had a hand-up all the time, ready to answer questions. She is remembering so much information and then using what she has learnt in her work without reminding.

Ethan: Ethan is Skipton's doodle maths dynamo, independently using his '100 square' to help count on and back.

Harvey: Harvey is our Early Bird work hero, coming in every day ready to learn, asking for more work at every opportunity.

Leah: Leah is counting beautifully to 13 now and reminds us not to help her. Leah points to every number or object as she counts.

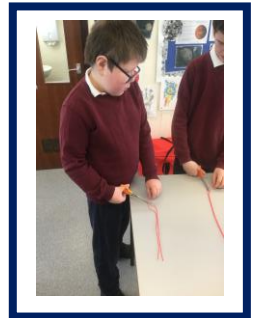

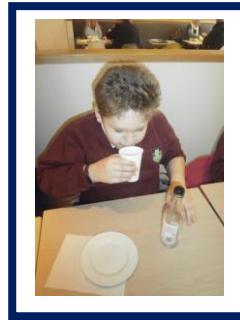

Dante: If you want to know about 'velocity' Dante is your man. He shares his wealth of knowledge with his friends and wows them with his use of scientific language.

Louise: Louise you are counting to 5 without help and saying so many letters of the alphabet and your energy makes us smile.

Jack: Jack your handwriting has come on so much, every letter is the same size and so clear. You are remembering capital letters too!

William: William you have really enjoyed sharing what you remember about the Easter Story every week with your friends, thank you!

Some photos of us!
