

Classroom News

Class Name: Nursery Term : Spring 2018 Whole School Topic: To Infinity and Beyond

What we have been learning

Some photos of our learning

This term we have been busy thinking about our topic of Space. We have been rolling moon rocks in our circle time and singing songs about spacemen. We have been making rockets and exploring different textures. In the main Nursery we have been trying new activities and making new friends. The weather is starting to get a little warmer so we have been going outside to explore. In the classroom we have been busy baking for Mother's Day. We hope you all enjoyed the surprises we sent home. We are now working on Easter activities and getting ready for the traditional egg rolling event at the end of term. All of the Butterflies class continue to grow and flourish, learning new things each day. It's wonderful to see how much progress everyone is making. Have a lovely Easter holiday everyone and looking forward to seeing you back after Easter when we start our topic of Bugs and Shrubs.

Dates & Points to remember :

Thursday 29th March - Last day of term
Monday 16th April - First day back after half term.
