

Classroom News

Class Name: Pendragon Term : Spring 2.

What we have been learning:

In Maths we have been focussing on Number. We have worked really hard at gaining our understanding of number; counting both forwards and backwards; and adding and take away. We have used a range of different strategies to find out which one works best for us.

We have also been working on developing our money skills and using these whilst shopping each week.

In English we have been using 'Back to Earth with a Bump' as a hook for our writing. We have looked at instructions – learning how to be an astronaut, then writing our own; written the story in our own words; and written our own version of the story.

We have also continued to work on our phonic skills, with lots of progress.

We have also enjoyed lots of space theme art activities and even making star constellations out of marshmallows and spaghetti!

Dates to remember:

- 29th March – end of term
- 16th April – back to school
- 7th May – bank holiday
- 14th – 18th May – Activity week
- 16th May – SAP parent's evening
- 25th May – last day of term
