

Classroom News

Class Name: Caernarfon

Term : March 2018

What we have been learning:

Happy Easter!

Caernarfon have continued to work solidly throughout this term developing holistically through different learning opportunities.

In English, we have really engaged with our class book; I am Malala. Students have really developed empathy and gained political awareness giving them a deeper understanding of the world around us. Alongside this, our other English lessons have comprised of some poetry, conveying that it is all around us. We have also focussed on debates and email writing which have given relevance to life skills.

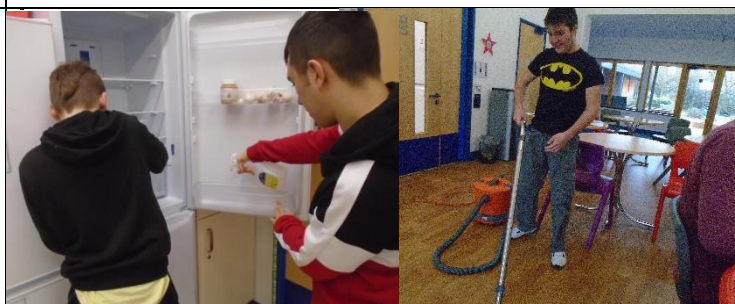

In Maths, we have focussed on time as well as other areas of number such as fractions, decimals and percentages. Students have really committed to finding methods that work for them as well as developing understanding of longer questions and the different steps needed to complete them in their entirety.

In Wellbeing sessions we have explored emotions in further detail and are learning about the ownership of those emotions and how we can be in control of them.

We had an amazing day celebrating Sport Relief, all students were committed and enthused, showing brilliant team work and providing learning opportunities. The Castle Community Catering and Hospitality service has continued to deliver quality products to a range of settings and our students have continued to be involved every step of the way! GO TEAM!

We have developed our creativity through P.E, Art and Music and even ventured into looking at Media with the view of creating a product towards the end of the year.

Some photos of our learning

Dates to remember:

Easter Holiday:

Last day of term: Thursday 29th March 2018

Start of Term: Monday 16th April 2018
