Class Name: Conway **Term:** Spring 2 2018

Whole School Topic: To Infinity

What's been going on

Another successful term at RDA, with a fantastic end of term treat hunting for Easter eggs on horseback. The skill and communication used whilst horse riding just goes to show how far the students of Conway have come along this year!

Forest school has been a huge success, despite the disruptions and cancellations this term. A huge thank you to Sharon at Growing 2gether for having us and providing a great environment for our students to use and learn in. Now the sun is coming out, it has definitely been an enjoyable experience.

This term in English, we continued to look at our space stories and also our communication with each other and between friends in class. In Maths we continued our Geometry work as well as working with number and money, using many different role play experiences to bring together core maths, functional communication and building on our confidence, being able to act in front of small crowds.

As you will all be aware, our teaching assistant Megan will be leaving The Castle School at the end of the Spring term. We wish Megan all the very best and thank her for all her hard work in Conway class this year. After Easter we will be welcoming a familiar and friendly face back to Primary House, Sandra, just in time to start the final term.

Hope you all have a great break,
Conway Class 😊

Some photos of our learning
