

Classroom News

Class Name: Cardiff
Beyond

Term : Spring 2018

Whole School Topic: To Infinity and Beyond

What we have been learning

Some photos of our learning

We have continued our topic to infinity and beyond this term by reading the story whatever next. The children have enjoyed sitting in the box rockets and wearing a space helmet just like baby bear does. The children have also been working hard on their mark making and writing.

In maths this half term we have focused on measurement, looking at objects that are: big, small, long, short, heavy and light.

This term we have had inclusion afternoon with Colchester class. The children have enjoyed doing art, parachute games and playing football with the big boys and girls.

For science week we explored ice. The children loved exploring how cold it was and watching it melt in their hands and feeling it melt in their mouths!

Special Moments:

Amelia has been working hard with her pecs book and choosing food she would like to try at lunch time. Leo has been working hard during his speech sessions

Dates & Points to remember :

Thursday 29th March - Last day of term
Monday 16th April - First day back after half term.
Wednesday 18th April – Start forest school.

Lilianna has been asking for the toilet and using the toilet all by herself.
