

Classroom News

Class Name: Bamburgh

Term : Summer term 5

What we have been learning

This term I have been particularly impressed with my students' personal, social and emotional development. We have explored emotions using the Incredible 5 Point Scale. The students have been amazing, sharing how they feel, and managing to articulate this with clarity. There have been some very tender moments, and their self-belief has grown. I have been so proud of them. They too are becoming so much more self-sufficient, and responsible. They work together and support each other beautifully. This is particularly evident during our cooking sessions. They work as a slick team, with one of them taking the lead role as recipe reader. The class is in training as waiters in readiness for the Bamburgh Parent Café. We have had some hilarious moments doing cafe role play, and have all collapsed in hysterics. Julie Walters in the sketch 'Two soups' comes to mind!

Special moments

Sammy and George's comprehension has improved incredibly during our class read of George's Marvellous Medicine. Euklin has been doing many jobs independently at Growing2Gether. Esme and Sophie are progressing in the Entry level maths and English sessions. Ashton and Eddie have had some amazing and heart-warming moments in music therapy. Tiff continues to make a huge impact at her work placement at Little Quavers. Finlay and Kenny pup have had some lovely moments together playing with bubbles.
