Class Name: Dover

Term : Summer 1 2018

What we have been learning:

This term our new topic is 'Bugs and Shrubs' and we have been doing lots and lots of learning about this. In art we have been improving our observation skills and developing our use of shading. We have all drawn some amazing bug pictures. In maths we have been looking at sequences and have used objects to create our own repeating patterns. To support our life skills we have also been doing a range of activities including ironing and sorting recycling. All of us enjoyed the ironing, some of us have even started ironing our clothes at home now!! Earlier on in the term we also got to hold some chicks that had hatched at school. They were really cute and soft. The highlight of the half term though has been activities week. We all took part in lots of fun things including abseiling and archery. Some of us were really scared to do the abseiling but a number of us did it with a little encouragement from our friends. We really enjoyed bowling too as we got to play in teams with pupils from other classes. This gave us the chance to make new friends.

**Dates to remember –**

**End of term: Friday 20<sup>th</sup> July**

**Start of Autumn term: Thursday 6<sup>th</sup> Sep**

Some photos of our learning
