Class Name: Tiverton Term : Summer 1 2018

What we have been learning:

What a wonderful term, the sun has been shining and we have been busy bees learning.

This terms class story is James and the Giant Peach. The class have been working very hard to write diaries in first person, pretending to be James. Adding lots of feelings and emotions to their writing. The class have also been involved in hot seating, asking James questions about his life.

All have been working hard on telling the time this term. I hope all have been using this skill at home!

We are all very proud of our vegetables growing fast in the raised beds. Everyone chose a vegetable and planted their own. We look forward to testing the produce.

The class have been very lucky this term to be attending Kennet School for DT. They have been busy making the beetle drive game.

We all had so much fun during activities week. All showed great determination and courage, especially at Youlbury! Marcos scored the highest at bowling out of all the staff and pupils!

End of term: Friday 20th July

Start of Autumn term: Thursday 6th Sep

Some photos of our learning
