Class Name: Skipton

Term: Summer 1

Topic: Bugs and Shrubs!

What we have been learning this term:

We have loved our Bugs and Shrubs topic, growing beans, hunting bugs and cooking some interesting themed inspired food. Here's what else we've been up to...

English: We loved creating our own information bug Zig-Zag books and sharing them with KS3, did you know a 'grasshoppers' eyes are on their belly? I certainly didn't!

Maths: We have been measuring this term, thinking lots about time and money. We were amazed how many times we could write our name in a minute and that 100 pennies looks like so much money!!!

Science: Bug Hunting, growing beans, naming trees and wild-flowers are just a taste of what we have been doing in science. There is so much to see, just around school, to include a lot of wood-louse!!!

PE: We have been so lucky to have enjoyed swimming at Mary Hare and Gymnastics with Chris this term. We are looking forward to cricket next term too!!!

Skipton's Magic Moments

Well one of our highlights has to have been 'The Royal Windsor Horse Show'. We were blessed with beautiful weather and represented the school exceptionally. So how else have we all been superstars?

Charlie: So if you need help with your finances, ask Charlie, we know how many pennies and in £1.00, £2.00 and even £5.00 too, amazing!

Harry: Well Harry, your confidence has quadrupled, answering so many questions and sharing your learning with Jon too, we're so proud!

Chloe: Drama has been your shining moment this term Chloe, leading groups and retelling stories in your own words, incredible!

Ethan: Our Doodle-Maths King, you have made so much progress, getting your own resources too, exceptional!

Harvey: My PA, helper, you take messages, make phones, check we are all safe, thank you so much, what a star!

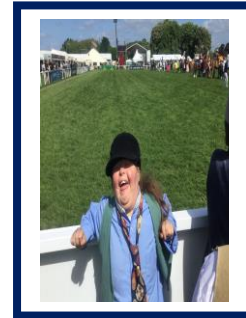

Leah: So Leah, you are writing independently at every opportunity and can now write your full name beautifully, fabulous!

Dante: Our fitness instructor, enjoying all areas of PE and making sure we all join in! Amazing!

Louise: Our own class fish, does this young lady love to swim, she certainly does! Awesome!

Jack and William: You were both totally awesome at The Royal Windsor Horse Show and made an amazing Oliver and Artful Dodger!!!
