Class Name: Dover

Term : Summer 2 2018

What we have been learning:

Some photos of our learning

As we approach our last few days of term we can look back at what an eventful and enjoyable year it has been!

Our last half term has been no different to any other in that it has been jammed with lots of exciting activities. It has however been a challenge to keep our cool in the never ending heat!

A few weeks ago we were lucky enough to go to Bisham Abbey for the annual riverside regatta. We got to do kayaking, canoeing and even a little paddle boarding as well as riding some different bikes. Most of us managed to stay dry, although not everyone!

The sports continued for our recent sports day which saw Dover class once again succeed in winning the key stage 3 relay. Well done to Duncan, Josh, Henry and Ibrahima.

Moving on to other subjects, we have been working hard in maths looking at area and perimeter. In English we are continuing with our work on James and the giant peach. In geography we have been looking at the environment and in particular plastics and how we can help reduce our waste. We're also planning a litter pick shortly.

Dates to remember –

Paulton's Park trip 18th July

End of term: Friday 20th July

Start of Autumn term: Thursday 6th Sep
