Class Name: Oxford

Term : Summer Term 2 2018

What we have been learning

Activity Week

We had an amazing week completing a wide range of activities including visiting Chessington, going bowling, go-karting, swimming, wall climbing, canoeing, den building and playing outdoor games.

Magic Moments from our week

Danny persevered and managed to reach the top of the climbing wall.

Becky and Chris P were fantastic den builders.

Dan enjoyed his trip up the wall too.

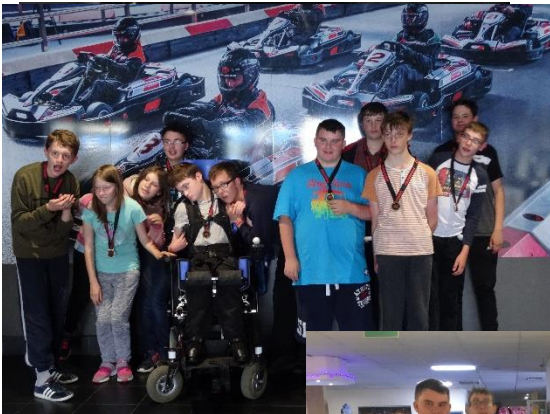

Alfie and Christopher had a tight race around the go-kart track.

Andrew braved his fear of heights and went on the pirate ship at Chessington.

Ethan loved speeding around the go-kart track.

Steph looked after Liz on the very fast rides at Chessington.

Vicky and Cameron worked very hard to move around the lake in the canoe.

Date to remember –
Break up – Friday 20th July
Return to school – Thursday 6th September
