

Classroom News

Class Name: Balmoral

Term: Summer 2

Topic: Bugs and Shrubs!

What we have been learning this term:

Some photos of us!

The last term of the years seems to have gone by in a flash! Balmoral class have had a lot of fun together this term (and we've been working hard too!).

Some of the highlights of this term have included:

- Swimming lessons! We have all loved going swimming every Monday morning. We have worked on our different strokes and ways to enter the water. We even learnt how to do a sitting dive!
- Sports day – Balmoral class loved getting competitive in this year's sports day. We had running races and a wide variety of field events.
- All year the class have loved cooking. This term our favourite things to make were pizza and cake!
- We had a lovely day out to Marwell Zoo with all of our friends in Primary House. We saw lots of different animals, listened to a talk at giraffe feeding time and had a ride on the train.
- In English we have enjoyed reading "The Enormous Turnip!" we have participated in lots of role play and different activities based on the book.
- RDA is always a highlight of the week for Balmoral. The class have now completed their grading for the year.
- Every Friday throughout the year Balmoral have worked with Conway class. Some lovely friendships have developed and we love seeing how well all the children work and play together.

As we reflect back on the year we are all so proud of how far the children in Balmoral class have come. They have been a pleasure to teach. We would like to extend a big thank you to all the parents and families of our class for your support.

School starts back on Thursday 6th September 2018.

Have a lovely summer holiday!

Jess & The Balmoral Team ☺
