

# Classroom News

**Class Name:** Conway **Term:** Summer 2 2018 **Whole School Topic:** Bugs and Shrubs

## *What's been going on*

Continuing on with our topic of bugs and shrubs, we have dived into sensory stories including the Gruffalo!

This term we have enjoyed our swimming at Mary Hare School. Children worked with staff on swimming technique for part of the lesson and we always have time for a big play and splash around. It has been lovely to see how well everyone has played together.

In Maths we have continued our shopping skills by using money to pay for items. This term we have focused on the Conway Book Shop, practising our use of notes and coins.

We've spent some time this year in secondary school on a Friday morning, giving some of our students the opportunity to see where they will be next year.

As well this term, we enjoyed our class trip to Marwell zoo. It's been a pleasure to take Conway out and about, and Marwell was yet another day where we showed just how great we are as a class, representing the school.

Thank you all so much this year for your support, it's been an absolute pleasure to teach Conway and we hope you all have a fantastic summer!
