**Class Name:** Chillingham

**Term :** Summer 2

What we have been learning:

Some photos of our learning

This half term we've been very busy! We have been getting out and about to the woods and the park. We have been practicing for sports day and then taking part, we had a go at gardening and growing vegetables for the Summer Fete. We have been enjoying the lovely weather with water sensory time. As well as....

...creating our own story based on The Hungry Caterpillar for English. This included Art as we had to paint leaves to print the background to our pages and lots of communication lessons based on answering question relating to who was hungry and what did they eat.

...continuing our independent skills to make toast or biscuits, dressing, washing and completing tasks on our own.

...practising our communication skills in order to make requests, to make comments, sing, and create sentences and to have fun!

Have a lovely Summer break!

From the Chillingham Team.
