

# Classroom News

Class Name: Skipton

Term: Summer 2

Topic: Bugs and Shrubs!

## What we have been learning this term:

We have had such a happy sunny last term in Skipton and it has been an absolute joy to have seen so much fun and laughter and of course learning take place. We have enjoyed the story of 'The Cautious Caterpillar' in English and learning all about 2D and 3D shapes in maths.

The highlights however this term have been our weekly visit to Greenham Common to do **Den building** and our trip to **Millets Farm**.

The team work shown in **Den Building** has been phenomenal and seeing the children share ideas, help each other and chat merrily, whilst building has been a joy to see. The children loved then walking around the common, we saw one to many bears, for my liking though!

Likewise **Millets Farm** was the perfect end to a perfect year. Meeting the animals, eating ice-creams and strawberry picking was wonderful and we have been so lucky with the weather. I never knew so many children loved Magnums though, expensive taste, ha ha!!!

## Our favourite magical Skipton moments!

I thought as the last newsletter for this year I would ask the children, their favourite moment, so here we go:

**Charlie:** I have loved being with all my class, because we can go for walks to the park together.

**Harry:** I have loved learning about planets, especially SATURN!

**Chloe:** I have enjoyed going to Richmond and helping my friends, because I want to work there when I am bigger.

**Ethan:** I have loved den building, working together has been so much fun!

**Harvey:** This has been the best class, because everyone really cares about each other.

**Leah:** I have enjoyed being in Skipton, we have all been good friends. I have loved drama too!

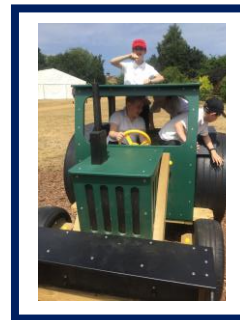

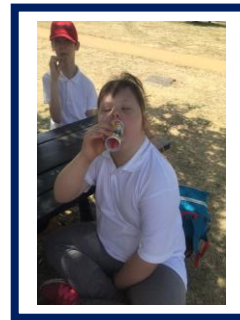

**Dante:** I have loved science, I enjoy learning new things and undertaking experiments.

**Louise:** I have enjoyed being the teacher sometimes and being with all my friends.

**Jack:** I have enjoyed having cake when it is someone's birthday and having ice-cream at Millets Farm.

**William:** I have loved den-building, taking down the den and building it again. I also loved being the leader when walking in the woods.

## Some photos of us!

## Dates & Points to remember:

- Thursday 6<sup>th</sup> September – First Day of Term 1
- Thursday 4<sup>th</sup> October – Harvest Festival at church (am)
- Friday 19<sup>th</sup> October – End of term 1
- Tuesday 30<sup>th</sup> October – First day of term 2

Just to say a big thank you to everyone for the most wonderful year. We have all had such fun together. Have a wonderful summer and take care of each other – Jo x
